

Checklist for Before Your Appointment

Please take time to review and complete the documents listed here prior to your appointment with us. By reviewing and completing these documents, it will allow us to be best prepared for your visit in order to optimize our time together. It will also save you time at the front desk filling out forms. We appreciate your time and cooperation.

The following items will be emailed to you. Please check your Junk Mail

- Intake Form
- Medical History
- Covid-19 Questionnaire
- Financial Agreement

The following documents are available on our website under the “Patient Resources” tab. You will be asked to sign the consent form after it is reviewed with us if a release is indicated. You do not need to sign it prior to your appointment.

- Consent Form
- Post-op Form
- Vit K Information Sheet (if your child did not receive a Vit K shot at birth)
